

Credit Suisse Equity Fund (Lux)

Please find below a summary of the main changes made to the prospectus of the Fund (the "**Prospectus**") dated 01.2013:

1. Increase of the minimum holding amount of unit class "P" from 200,000 to 500,000 in the relevant currency;
2. Decrease of the minimum holding amount of unit classes "I" and "S" from 3,000,000 to 1,000,000 in the relevant currency;
3. Replacement of the relevant reference currency by a footnote for all "T" unit classes in all subfunds of the Fund, whereby the management company of the Fund may decide on the issue of Class "R", "S" and "T" units in any additional freely convertible currencies as well as on their initial offering price at any time;
4. Update of the definition of "D" unit classes, aiming to allow for institutional investors to invest in unit class "D" who have signed an Institutional Fund Access agreement (*Investitionsvereinbarung*) with Credit Suisse AG; and
5. Update of the Prospectus for consistency purposes with the other Credit Suisse prospectuses and enhancement in formal and material regard.

We further confirm that no changes have been made to the management regulations of the Fund.
