(“**Personal Data**”).

3. Purposes and legal grounds for Personal Data processing.

Your Personal Data may be processed by WOOD & Company for the following purposes:

- to conclude an agreement relating to provision of investment services with you or any other agreement;
- to take steps to perform an agreement relating to provision of investment services with you or any other agreement concluded with you;
- to record transactions arising from agreements on the provision of investment services and for statistical purposes;
- to analyse customer preferences for the purpose of establishing marketing activities, in which you will be interested and for conducting marketing activities regarding services provided by WOOD & Company, especially for advertising products or services that match your needs;
- to accept, review and respond to your complaints regarding WOOD & Company's activities;
- to perform the obligations imposed on the controller by the provisions of the generally applicable law;
- to perform IT management, including infrastructure management (e.g. shared platforms), business continuity and IT security;
- to establish individual statistical models, based on the analysis of transactions, for instance in order to help define your risk score;
- to establish aggregated statistics, tests and models for research and development, in order to improve the risk management of our group of companies or in order to improve existing products and services or create new ones;
- to centralize your Personal Data in a database enabling representatives of WOOD & Company to have access to it on a strict need to know basis so as to allow us to involve the right level of expertise to deal with your requests and avoid unnecessary administrative duplications.

Your Personal Data will be processed on the basis of Article 6, para. 1, item a), item b), item c) and/or f) GDPR. We shall not process the Personal Data for other purposes which are inconsistent with the objectives described above unless the processing is required by law or unless WOOD & Company is authorized by you to process it.

4. Sharing Personal Data

WOOD & Company may provide Personal Data to the following third parties for the purposes

specified in this document and below:

- a) entities and authorities, to which we are obliged or authorized to provide the Personal Data in order to pursue the objectives specified above and for fulfilling the obligations imposed by law. This applies, in particular to the provision of Personal Data to the supervisory authorities, courts and authorities (e.g. tax authorities and law enforcement authorities), independent external advisers (e.g. auditors) or entities providing services and other third parties. This also applies to entities and authorities which are authorized to receive the Personal Data from **WOOD & Company** or which are authorized to demand access to the Personal Data on the basis of the generally applicable provisions of the law;
- b) companies or persons with whom **WOOD & Company** has concluded cooperation agreement on entrusting the performance of certain activities for **WOOD & Company** ("**Data Processor**"), including entities with which **WOOD & Company** has contracted for the destruction of data. Such entities will be obliged by the agreements they have concluded with **WOOD & Company** to apply appropriate security, as well as technical and organizational measures to protect the Personal Data and to process it exclusively in accordance with the instructions provided by **WOOD & Company**;
- c) **WOOD & Company's** subsidiaries and affiliates.

5. Provision of Personal Data to third countries

With respect to transfers originating from the European Economic Area ("**EEA**") to the United States and other non-EEA jurisdictions, where the level of protection has not been recognised as adequate by the European Commission, we implement standard contractual clauses approved by the European Commission, and other appropriate solutions to address cross-border transfers, as required or permitted by Articles 46 and 49 of the GDPR.

6. Period of Personal Data storage

The Personal Data will be stored by **WOOD & Company** and/or the Processors for the period for which this is necessary for the purposes referred to in clause 3 of this information, for the purposes required in accordance with the provisions of the generally applicable law and for the purpose of defending **WOOD & Company's** rights.

7. Rights of data subjects

Depending on the objective and the grounds on which we process your data, you may be entitled to the following rights regarding Personal Data protection:

- a) **right to access your Personal Data:** the data subject is authorized to obtain confirmation from **WOOD & Company** as to whether that person's personal data is being processed and, if so, he is authorized to obtain access to it. **WOOD & Company** shall provide you with a copy of the Personal Data that is being processed at your request. **WOOD & Company** may collect a charge at a reasonable amount arising from the administrative costs for all further copies, which you request.
- b) **right to rectify your Personal Data:** you are entitled to correct the Personal Data which

applies to you and which is incorrect. Subject to the objectives of the processing, you are entitled to request that incomplete Personal Data is supplemented, including by presenting an additional declaration.

- c) **right to erasure your Personal Data (“right to be forgotten”)**: you are entitled to demand the deletion of your Personal Data if the circumstances provided for by law take place and **WOOD & Company** is required to delete such Personal Data without delay.
- d) **right to restrict processing of your Personal Data**: in such a case, **WOOD & Company** shall, at your request, specify that Data and it may only be processed for specified purposes.
- e) **right to data portability**: under certain circumstances, you are entitled to receive your Personal Data in a structured, commonly used machine-readable format, which has been provided to **WOOD & Company** and you are entitled to send this Personal Data to another entity without obstruction by **WOOD & Company**.
- f) **right to object further processing of your Personal Data**: in certain circumstances, you are entitled to file an objection to the processing of your Personal Data for reasons related to your particular situation and **WOOD & Company** may be required to stop processing such Personal Data.
- g) **the right to file a complaint with the appropriate supervisory authority**, if the data processing breaches the provisions of the GDPR.

8. Sources of the Personal Data

Your Personal Data may come from (i) you or your statutory representative or principal (in the case of a power of attorney that has been provided to us), (ii) an entrepreneur, with respect to which you are the representative or beneficial owner, (iii) a party to an agreement concluded with **WOOD & Company** and/or (iv) from generally accessible sources, in particular from various databases and registers.

9. Requirement to provide data

You need to provide your Personal Data for **WOOD & Company** to enable **WOOD & Company** to provide to you the services or to comply by **WOOD & Company** with obligations referred to in point 3 of this information.

10. Miscellaneous provisions

We would like to inform you of the ability to periodically update this Information in accordance with the applicable law (e.g. if we implement new systems or processes, which are related to the use of the Personal Data) and in such a case, we shall inform you accordingly of the changes that have been made.

Should you have any questions regarding Personal Data or exercising rights to privacy, please contact our data protection officer at the e-mail address dpo@wood.com.
